

ADDICTIVE PROJECTS

Addictive Projects is a new dynamic application company with innovative ideas in achieving you our clients vision and expectations. We specialize in the application of seamless resin base flooring and liquid waterproofing.

We pride ourselves in partnering with the best local and international manufacturers to ensure the highest quality is applied on every job. Our seamless resin flooring solutions are, ideal for the following market sectors, Industrial, Commercial, Pharmaceutical, Automotive, Packing, Manufacturing, and Food & Beverage.

Each environment requires a different resin type suitable for the area, this ranges from Epoxy, Vinyl Ester, and Polyurethane resins. We are also offering a full turn-key solution that includes concrete repair.

Our liquid rubber waterproofing products are ideal for all types of waterproofing and offer 800-1200% elongation with adhesion on all surfaces including glass and marble.

We pride ourselves on our high standard of workmanship and have an excellent reputation throughout the industry.

Addictive projects sole focus is to be the market leader in the application of seamless resin and waterproofing products to all our customers.

Addictive projects offers a back-to-back warranty to all our clients no matter the size of the project in partnership with our selected suppliers to give you, our client peace of mind.
